

Supervised Learning Support for your School-Aged Child **SO YOU CAN GET BACK TO WORK!**

To support students and families in light of recent COVID-19 related changes to public-school classroom models for the 2020-2021 school year, Legacy Academy has temporarily extended its school-age program to offer families a high-quality, safe and supervised environment for learning.

- **Strict Adherence to health and safety guidelines**
- **Pre-entry screening for all families and staff**
- **Supervised by experienced Legacy Academy teachers as they complete their assignments provided through their public/private school**
- **USDA approved breakfast, lunch, and afternoon snack**
- **Outdoor play**

Return to work confident that your child is taken care of in a safe, supervised environment.
